Proclaiming the month of October 2010 as Disability Employment Awareness Month in Cuyahoga County: “Talent Has No Boundaries: Workforce Diversity includes Workers with Disabilities.”

WHEREAS, the annual observance of National Disability Employment Awareness Month is designed to recognize the contributions of workers with disabilities. The effort to educate the American public about issues related to disability and employment actually began in 1945, when Congress enacted a law declaring the first week of October each year “National Employ the Physically Handicapped Week”.

WHEREAS, in 1962, the word “physically” was removed to acknowledge the employment needs and contributions of individuals with all types of disabilities. In 1988, Congress expanded the week to a month and changed the name to “National Disability Employment Awareness Month”.

WHEREAS, this observance presents us with the opportunity to increase the public’s awareness of the contributions and skills of American workers with disabilities. Programs carried out during this month will also highlight the specific barriers that still need to be addressed and removed.

WHEREAS, the 2010 observance theme is “Talent Has No Boundaries: Workforce Diversity includes Workers with Disabilities,” which serves to inform the public that workers with disabilities represent a diverse and vibrant talent pool for hire. This theme epitomizes the Department of Labor’s commitment to “good jobs for everyone”.

WHEREAS, Americans with disabilities strengthen our country’s workforce. By enhancing the workplace environment for people with disabilities, employers can help provide access to jobs that allow these individuals to demonstrate their potential and realize their dreams.
